Dear Neighbors and Friends

Once again the Wildwood FMBA Local 50 members are reaching out to our supporters for our Annual Fund Drive. Thanks to the citizens and businesses of our community, last years' fund drive was a great success. As career firefighters, it is gratifying to receive the support that has been given to us over the years.

All members of the Wildwood FMBA Local 50 are career members of the Wildwood Fire Department. We are proud to serve and protect life and property within the City of Wildwood and helping our neighboring communities whenever the need arises. As you may or may not know, as members of the Wildwood Fire Department we are the first to arrive during any emergency that the City of Wildwood may have. Our members are trained as Emergency Medical Technicians (EMT), HazMat Technicians, Advanced Fire Fighting Training and some members are trained in Advanced Rescue Techniques.

Previous donations have helped support Fire Prevention, our Little League Baseball Team, and scholarships to students at Wildwood and Wildwood Catholic High Schools. Your donations have also helped us to purchase new equipment, which is used during emergencies and natural disasters within the City of Wildwood and our surrounding neighbors. The membership consist of 18 career fire fighters. An average yearly response by our department is about 2800 calls a year. These calls include approximately 500 fires a year and approximately 2300 emergency medical service calls a year. Our mission this year is to provide the citizens of Wildwood with helpful information on fire safety in the home and health safety goals. In doing this we are hoping to start an Open House at the Station where guest will be welcomed to look around and ask questions about what we do and what they can do to be for safe in the upcoming year. And of course, please bring children of all ages to the Station so they can also learn about fire prevention and keeping themselves safe.

Thank you in advance for your generous support and kind thoughts.

Sincerely,

The Officers and Members of  
The Wildwood FMBA Local 50
